International Philatelic Exhibition, Vienna, 1911.

THE Oesterreichischer Philatelisten-Klub "Vindobona" and the Tauschvereinigung für Postwertzeichen have suggested a Committee consisting of representatives of all Vienna Philatelic Societies to realize the long cherished intention of holding an International Philatelic Exhibition in Vienna, which would take place from 12th to 26th September 1911, following the XXIII. Deutschen Philatelistentag, invited to Vienna at about the same time.

It is expected that this Exhibition will be a grand one, for it is the intention of the Committee not only to rouse the interest of the wider public by pointing specially to the artistic views of this branch of collecting, but also by giving wide room for junior collectors alongside the prominent scientific philatelists.

This Exhibition will also be a Jubilee Exhibition, for in 1911 it will just be 30 years that the first ever held Philatelic Exhibition took place in Vienna with splendid success.

Chairman of the Executive Committee: Dr. Hans von Woerz.

Hon. Secretary: Mr. Adolf Passer.

All communications to be addressed to the Office of
